So you don't like my earrings
Em Hah

So you don't like the way they hang
too much dangling going on, too
much movement to be considered
manly MAN-L-Y

That the same thing they said
about my hips in Elementary
School

The same shit they said about
my hair in Jr. High School
Thats the same thing they said
about me in High School
I mean, Ooh get real here
What would you know about masculinity
you as still running around twisting
up your hair, wear Hilfiger tunics, calling
everybody my brother, my sista, trying
to be what you think is politically correct
as a black man.
What would you know about walking in
my shoes
The one thing I do know, at least the kids
in school said whats on their minds
